Toronto, December 8, 2023 – Adventus Mining Corporation (“Adventus” or the “Company”) (TSXV: ADZN) and Luminex Resources Corp. (“Luminex”) (TSXV: LR) are pleased to announce that Adventus has closed its previously announced private placement of equity securities for aggregate gross proceeds of approximately US\$18 million, comprised of approximately:

- US\$13.5 million in a non-brokered private placement (the “**Non-Brokered Private Placement**”) through the issuance of 63,769,486 subscription receipts of the Company (the “**Subscription Receipts**”) at a price of US\$0.2117 (C\$0.29) per Subscription Receipt;
- C\$5.7 million (approximately US\$4.2 million based on the US\$/C\$ exchange rate on December 7, 2023) in a brokered “bought deal” private placement (the “**Bought Deal Private Placement**”) through the issuance of 1,972,392 units (the “**Units**”) of the Company at a price of C\$2.90 per Unit, co-led by Raymond James Ltd. and National Bank Financial Inc., on their own behalf and on behalf of a syndicate of investment dealers (collectively, the “**Underwriters**”), which includes the exercise of the over-allotment option granted to the Underwriters; and
- US\$0.211 million in a non-brokered private placement (the “**Unit Non-Brokered Private Placement**”) through the issuance of 100,000 Units at a price of US\$2.117 (C\$2.90) per Unit.

The Non-Brokered Private Placement, the Bought Deal Private Placement and the Unit Non-Brokered Private Placement are collectively referred to as the “**Offering**”. Each Unit issued in the Offering consists of four (4) common shares of the Company (each, a “**Unit Share**”) and six (6) Subscription Receipts, with 40% of the price per Unit allocated to the Unit Shares underlying each Unit and 60% of the price per Unit allocated to the Subscription Receipts underlying each Unit.

Upon completion of the previously announced plan of arrangement involving the Company and Luminex (the “**Transaction**”) in accordance with an arrangement agreement dated November 21, 2023 (the “**Arrangement Agreement**”), and subject to certain customary conversion conditions for a transaction of this nature (collectively, “**Escrow Release Conditions**”), each Subscription Receipt will convert into one common share of the Company (each, an “**Underlying Share**”) without payment of additional consideration or further action on the part of the holder.

The Company has agreed to pay to the Underwriters a commission equal to 6.0% of the gross proceeds from the Bought Deal Private Placement, 50% of which was paid to the Underwriters upon closing of the Bought Deal Private Placement and 50% of which has been placed in escrow (the “**Escrowed Commission**”) as described below.

The proceeds of the Offering, other than those proceeds allocated to the Unit Shares, and the Escrowed Commission (the “**Escrowed Proceeds**”) are held in escrow pending satisfaction of the Escrow Release Conditions. Provided that the Escrow Release Conditions are satisfied or waived (where permitted) prior to 5:00 p.m. (Toronto time) on March 31, 2024 (the “**Escrow Release Deadline**”), the Escrowed Commission will be released to the Underwriters from the Escrowed Proceeds, and the balance of the Escrowed Proceeds will be released to or as directed by Adventus and the Subscription Receipts shall be automatically converted into Underlying Shares, without payment of any additional consideration or further action on the part of the subscribers. In the event that the Escrow Release Conditions are not satisfied by the Escrow Release Deadline, the Escrowed Proceeds, together with interest earned thereon, will be returned to the holders of Subscription Receipts and such Subscription Receipts will be cancelled.

The net proceeds of the Offering will be used by the Company to advance the Curipamba El Domo Project, select exploration programs across the combined exploration portfolio of the Company and Luminex, costs related to the Transaction and for working capital and general corporate purposes.

The Offering was conducted in all of the provinces and territories of Canada pursuant to private placement exemptions, and in such other jurisdictions outside of Canada, in accordance with all applicable laws, provided that no prospectus, registration statement or similar document is required to be filed in such foreign jurisdiction. The securities issued under the Subscription Receipts and Unit Shares, and any Underlying Shares issued upon conversion of the Subscription Receipts, will be subject to a Canadian statutory hold period of four months and a day from the closing date of the Offering in accordance with applicable securities legislation.

The TSX Venture Exchange has conditionally accepted for listing the Unit Shares and Underlying Shares issuable upon conversion of the Subscription Receipts, subject to receipt of final approval.

The securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or any securities laws of any state of the United States, and may not be offered or sold in the United States absent registration under the U.S. Securities Act and applicable securities laws of any state of the United States or compliance with the requirements of an exemption therefrom. The Brokered Private Placement constitutes a related party transaction within the meaning of Multilateral Instrument 61-101 ("**MI 61-101**") as certain insiders of the Company subscribed for Subscription Receipts pursuant to the Brokered Private Placement. The Company relied on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in Sections 5.5(b) and 5.7(1)(a) of MI 61-101 with respect to the insider participation in the Offering.

In addition, as previously announced, the Company and Altius Minerals Corporation ("**Altius**") entered into an agreement to amend (the "**Loan Amendment**") the terms of Altius' outstanding US\$4 million unsecured convertible debenture until December 31, 2024, subject to completion of the Non-Brokered Private Placement (the "**Loan Agreement**"). In connection with the terms of the Loan Amendment, the Company and Altius agreed, among other things, to extend the maturity date under the Loan Agreement from December 31, 2023 to December 31, 2024 to amend the conversion price of the principal amount under the Loan Agreement from C\$0.31 per share to C\$0.30 per share (the "**Repricing**").
